WOODBURN FAILS TO SHOW UP OFFER IS TAKEN UP
 (Continued from Page 1)

BOHEMIANS AWARDED GAME BY UMPIRE BURNSIDE—MANAGER BROWN'S SERIES FOR THE REGATTA CHAMPIONSHIP.

The Bohemians won two very easy baseball games Sunday afternoon from Woodburn. The latter team did not show up for the double header so Umpire Burnside awarded the games to the Bohemians who were all on hand and ready to play any kind of a game to satisfy any of those who wished to go out to the diamond.

Manager Brown, of the Bohemians, can give no reason for the non-appearance of the Woodburn team and is anxiously awaiting an explanation, which will probably be received in due season. Umpire Burnside was as much at a loss to know what was the matter of the hop-picking team and under the rules governing the game awarded the two games to the home team by a score of 9 to 0.

The season of the Bohemian team is drawing to a close and the work of getting out a statement of the standing of the club is being prosecuted with vigor by Manager Fred Brown and H. F. Kempe. It will be presented to the public in a few days and will clearly show the expense of running one of the teams of the Tri-City League. That the management of a team is no small business may be surmised by the number of detailed items which already occur on the statement, which is well under way. Every item is put in the statement and every disbursement accounted for. The management of a baseball team is one of the most irksome jobs there is and Manager Brown is glad that his season is nearing a close.

Next Sunday there will be a double header game with the Trunkmakers.

The efficient manager of the Bohemians has a good bill for Regatta and announces that there will be three games which will be called at 3 o'clock of each afternoon. On Monday Cathlamet will play followed by Seaside on Tuesday and La Camas, Wash., on Wednesday. All three teams play good ball and the contests will be interesting and spirited. The games will be played for the championship of the Thirteenth Annual Regatta.

Manager Brown has secured three new players for his team and they will make their initial appearance in a Bohemian uniform on Sunday in the game against the Trunkmakers. Dickson is secured to pitch and Albright is slated for first base or an outfield while Sweeney is an outfielder of considerable reputation. Manager Brown has secured three good men which will strengthen the team materially.

BODIES FOUND IN VAT
 (Continued from Page 1)

The doctor and student were placed under arrest, but on explanations made to Captain Moore they were released from custody.

"That was one of the worst sights I ever saw" said Harbor-master Speier this morning. "I told Captain Moore that I did not mind seeking men on this earth, but I objected to going between heaven and hell in search of them. One of the skulls in the vat had the flesh partially cooked off, and there was a tuft of hair on the back of the head. A bullet hole in the forehead showed that the man had died as the result of a gunshot wound. Another of the skulls contained several gold teeth.

"If these men are not prosecuted I will take steps myself to prevent such things hereafter, if ever anything of the sort is again brought to my attention. The water of the river should not be polluted with such things. It was a disgrace. The proper place for these men to conduct such things is in the medical college."
